

Increase Your Direct Bookings

The goal of Find Rentals is to be the top referring website for your direct bookings. We do this by simplifying, tagging, and optimizing your Find Rentals profile and property listings to increase visitors to your website—and achieve more direct bookings for your company.

Find Rentals is constantly improving and adding new features to our system— like our new SEO Enhanced Listings— to increase your direct bookings.

Sit back and let Find Rentals send the guests to you!

Our Straightforward Packaged Pricing Option

1 Simple Fee to List

\$36

per property per year
*includes branding package

No booking charges. No hidden fees. No service charges.
No kidding.

Find Rentals™

What Our Clients Say

"..the results have been great and I really like how they are innovative with their marketing."

Jonna Kandolin at [Deadwood Connections](#)

"..your service has provided more leads than just about any other directory to which our clients have subscribed."

Dan Graham, President at [Mt. Baker Lodging](#)

"We signed on with Find Rentals when they first came about and it has been a pleasure working with them ever since. They are a hands-on group, totally involved in making their site competitive, and moreover, they offer something more than their competitors - no booking fees, neither to guests nor to property managers."

Beth Godwin, [Dune Allen Realty](#) in South Walton Beach, Florida

"Since 2007 we've worked with Find Rentals and we've been very satisfied with the results. Find Rentals has always supported us.. we really appreciate their 1 on 1 approach when working with us to ensure a successful year."

Sara Annis, [Island Vacation Properties](#) in Anna Maria Island, Florida
